Volume 122, Number 3

July-September 2008

# The Ottawa Field-Naturalists' Club

FOUNDED IN 1879

## Patrons

Her Excellency The Right Honourable Michaille Jean  
Governor General of Canada

The objectives of this Club shall be to promote the appreciation, preservation and conservation of Canada's natural heritage; to encourage investigation and publish the results of research in all fields of natural history and to diffuse information on these fields as widely as possible; to support and cooperate with organizations engaged in preserving, maintaining or restoring environments of high quality for living things.
