Marine Turtle Newsletter (114)

October 2006. 32 pages: EDITORIALS: Editorial (H. H. Godfrey and L. M. Campbell) — Revision of the Kemp's Ridley Recovery Plan (C. W. Caillouet, Jr.) — Sea turtle subpopulations and the IUCN Red List: A complementary role for conservation genetics (E. Naro-Maciel and A. Formia) — Commentary: What is a subpopulation? (N. Mrosovsky) — ARTICLES: Transatlantic migration of juvenile Loggerhead Turtles from the Strait of Gibraltar (D. Cejudo, N. Varo-Cruz, A. Liria, J. J. Castillo, J. J. Bellido, and L. F. Lopez-Jurado) — On the occurrence of Columbus Crabs (*Planes minutus*) from Loggerhead Turtles in Florida, USA (M. G. Frick, K. L. Williams, M. Bressette, D. A. Singewald, and Richard M. Herren) — Hawksbill Turtle tracking as part of initial sea turtle research and conservation at Groote (S. D. Whiting, S. Hartley, S. Lalara, D. White, T. Bara, C. Maminyamunja, and L. Wurraramrba) — Lower nesting success of Flatback Turtles caused by disorientation (A. U. Koch and M. L. Guinea) — IUCN-MTSG Quarterly report — MEET-

ING REPORTS — LETTER — BOOK REVIEWS — ANNOUNCEMENTS — NEWS & LEGAL BRIEFS — RECENT PUBLICATIONS.

The Marine Turtle Newsletter is now edited by Lisa M. Campbell, Nicholas School of Environment and Earth Sciences, Duke University, 135 Duke Marine Lab Road, Beaufort, North Carolina 28516 USA; and Matthew H. Godfrey, North Carolina Wildlife Resources Commission, 1507 Ann Street, Beaufort, North Carolina 28516 USA. The Managing Editor is Michael Coyne, A321 LSRC, Box 90328, Nicholas School of the Environment and Earth Sciences, Duke University, Durham, North Carolina 27708-0328 USA. Fax +44 1392 263700. Subscriptions and donations towards the production of the MTN can be made online at www.seaturtle.org/mtn or postal mail to Michael Coyne (Managing Editor) Marine Turtle Newsletter, 1 Southampton Place, Durham, North Carolina 27705 USA (e-mail: mcoyne@seaturtle.org).

Canadian Association of Herpetologists/Association Canadienne des Herpetologistes Bulletin Fall 2006

14(1) 28 pages. CONTENTS: Instructions for authors — EDITORIAL: On the return of CAH/ACH — A message from the editor — MEETINGS: CARCNet 2006 Meeting Announcement (Pat Gregory) — JMIH 2006 (Leslie Lowcock) — CAH/ACH Membership and Executive meetings (Jacqueline Litzgus) — FEATURE ARTICLE: On the origins and dispersal of Neotropical rattlesnakes in South America (Adrian Quijada-Mascareñas and Wolfgang Wuster) — FIELD NOTES: Interesting nesting behaviour of Wood Turtles (*Glyptemys insculpta*) (William Greaves) — NEW FACULTY IN HERPETOLOGY AT CANADIAN UNIVERSITIES: Gabriel Blouin-Demers, University of Ottawa; David Lesbarreres, Laurentian University; Jacqueline Litzgus, Laurentian University — THESIS ABSTRACTS IN CANADIAN UNIVERSITIES: Karine Beriault, M.Sc.

2005; Joseph Crowley M.Sc. 2006; Amanda Duffus M.Sc. 2006; Raymond Saumure Ph.D. 2004; Sara Wick M.Sc. 2004 — RECENT PUBLICATIONS IN CANADIAN HERPETOLOGY: Citations 2005-06 — ANNOUNCEMENTS: Former CAH/ACH President Michael Rankin remembered (Francis Cook) — MEMBERSHIP FORM.

Editor Dr. Jacqueline D. Litzgus, Laurentian University, Sudbury, Ontario P3E 2C6; e-mail: jlitzgus@laurentian.ca; phone 705-675-1151 extension 2314. Membership in CAH/ACH is \$20.00 regular member, \$10.00 student member payable to the Canadian Association of Herpetologists. Mail to Dr. Patrick Gregory, President and Treasurer of CAH/ACH, Department of Biology, University of Victoria, British Columbia V8W 2Y2.

Wildlife Afield 3 (1 and Supplement to 1)

Volume 3, Number 1, contains FROM THE EDITOR: Coming together — On the covers — FEATURE ARTICLE: Supplement to *Wildlife Afield*: Roads and wildlife — NOTES: American Avocets breeding at Bechers Prairie near Riskke Creek, British Columbia in 2005 and 2006 (Phil Ranson) — Manx Shearwater in British Columbia: comments on a pioneering seabird (Michael Force, Ken Morgan, and Jukka Jantunen) — A noteworthy record of the Pigmy Short-horned Lizard (Glenn R. Ryder, R. Wayne Campbell, and Lawrence Powell)

— Cactus traps California *Myotis* in British Columbia (Christian W. Gronau) — Whip-poor-will *Caprimulgus vociferus*: a new species for British Columbia, 1968-2006 (Adrian Dorst) — Status of the Yellow-breasted Chat in the Creston Valley, British Columbia, 1968-2006 (R. Wayne Campbell and Edward McMackin) — Unusual mortality of a male Rufous Hummingbird in Burton, British Columbia (Arthur Schoedert) — Common Raven steals and caches eggs of the Double-crested Cormorant in the Creston Valley, British Col-

umbia (Linda M. Van Damme) — Impact of Cooper's Hawk predation on a nesting colony of Brewer's Blackbirds on Vancouver Island, British Columbia (R. Wayne Campbell and Barbara Begg) — Golden Eagle attacks and kills yearling Mountain Goat (Barbara Zettergreen) — Skeletal remains of the Northern Flicker with a gross bill deformity discovered in a popular tree cavity (Sherry L. Lidstone) — WILDLIFE DATA CENTRE: — Featured species — Common Nighthawk (R. Wayne Campbell, Martin K. McNicholl, R. Mark Brigham, and Janet Ng) — Report of the Wildlife Data Centre: 1 January 2006 to 30 June 2006 (Michael I. Preston) — BRITISH COLUMBIA ROUND-UP: Tips for the field — Field notes for caring people — Errata — News of friends — Life membership — a personal commitment to wildlife — From the Archives — Final Flight — Announcements, Publications of Interest — Volume 3(1), (and Supplement to 3(1), contains: FROM THE EDITOR: At a crossroads — On the covers — ROADS & WILDLIFE: Collisions with wildlife: An overview of major wildlife vehicle collision data collection systems in British Columbia and recommendations for the future (S. Gayle Hesse) — A comparison of roads and rivers as barriers to animal movements: implications for roads in protected areas (Joanna Preston) — High incidence of vehicle-induced owl mortality in the lower mainland and central Fraser Valley, British Columbia (Michael I. Preston and Gerry A. Powers) —

A study on the incidence of amphibian road mortality between Ucluelet and Tofino, British Columbia (Barbara Beasley) — Mitigation efforts to reduce mammal mortality on roadways in Kootenay National Park, British Columbia (Michael I. Preston, Larry Halverson and Gayle Hesse) — Using wildlife vehicle collision data, expert opinion and GPS technology to more accurately predict and mitigate vehicular collisions with wildlife in northern British Columbia (Roy V. Rea, Eric K. Rapaport, Dexter P. Hodder, Michael V. Hurley and Nicole A. Klassen) — Road watch BC: A program for collecting, centralizing, and synthesizing information from vehicle-induced wildlife mortalities in British Columbia (R. Wayne Campbell and Michael I. Preston) — Estimating the probability of potential vehicle collision from birds cross roads in interior British Columbia (Michael I. Preston and Joanna Preston) — USEFUL RESOURCES: Books — Symposia, Proceedings, Handbooks, and Reports — Websites — Upcoming meetings — Book review: Road ecology — Road watch BC — Wildlife collision prevention: Hints for the highway.

Details on membership can be obtained from the Biodiversity Centre for Wildlife Studies, PO Box 6218, Station C, Victoria, British Columbia V9P 5L5 Canada. Tel/Fax: 250-477-0465; e-mail: editor@wildlifebc.org; web site: www.wildlifebc.org.

Errata *The Canadian Field-Naturalist* 120(2)

Table of contents outside back cover:

Conservation evaluation of Dwarf Wolly-heads, *Psilocarphus brevissimus* var. *brevissimus*, in Canada
GEORGE W. DOUGLAS, JENIFER L. PENNY, and KSENIA BARTON

"Wolly-heads" should read Woolly-heads.

Article page 235:

First record of a River Otter, *Lontra canadensis*, captured on the northern coast of Alaska

SHAWN P. HASKELL

In abstract and citation "*Lutra*" should be *Lontra*.

Errata *The Canadian Field-Naturalist* 120(3)

Table of contents outside back cover:

Recent invasion, current status, and invasion pathway of European Common Reed, *Phragmites australis* subspecies *australis*, in the southern Ottawa District

PAUL M. CATLING and SUSAN CARBYN

"*Phragmites*" should read *Phragmites*.

Pacific Hagfish, *Epppattretus stoutii*, Spotted Ratfish, *Hydrolagus collii*, and scavenger activity on tethered carrion in subtidal benthic communities off western Vancouver Island

SARAH DAVIES, ALI GRIFFITHS, and T. E. REIMCHEN

"*Epppattretus*" should read *Eptattretus*
