Eleanor Zurbrigg

CFN Subscription Manager

Subscriptions are for a volume of four issues, which generally correspond to a calendar year. Orders for printed issues that are received during the year will be mailed copies of the issues of that volume that have already been published.

Institutional online subscriptions are assigned to a single site/location. If an institution has multiple sites/locations (towns, cities), please contact us for further pricing details.

There is an agency discount of 5%.

If paying by cheque, make it payable to 'The Canadian Field-Naturalist' and mail it to our address shown above. Cheques should be clearable through a Canadian or American bank.

Credit card payments can be made through PayPal. Please ask us to send a PayPal invoice.

The OFNC is HST-exempt.

Subscription Rates (postage included)	Price per volume \$ CA		
	Printed issues + online access	Printed issues only	Online access only
Institutions and Libraries - in Canada	220	150	140
Institutions and Libraries - outside Canada	240	170	140

Requirements for online access: a library contact e-mail address, and a list of IP addresses requiring access to our site.
